

1d500	Supernatural Mutations (1/4)	1d500	Supernatural Mutations (2/4)
1	Horns. You can make a noise like a brass band tuning by holding your breath for 1 minute.	126	Flame Hair. All your hair turns into fire on a failed a Save vs Fear or a Fatal Wound. Doesn't burn you.
2	Fearful Blood. If you drop below half HP, Save or become melancholy and depressed until you heal.	127	Oil Spray. If you take any fire damage, you spray flammable oil in a 10' radius.
3	Linguist. You believe you can speak with anything or anyone. You can't.	128	Adjusted Humour. Blood, death, pain, and misery are absolutely hilarious to you.
4	Malleable Sleep. While asleep or unconscious you transform into a boneless liquid sack.	129	Wizard Toe. One toe is 1' long with five extra joints.
5	Narcolepsy. 1-in-10 chance of falling asleep just before a combat encounter or stressful situation.	130	Spell Effects. When a spell damages you, 10' radius around you sprouts flowers.
6	Vulnerable Soul. Does all magic damage taken.	131	Cloud Flesh. Soft, white, and damp. Can drink water as rations. HP becomes 2.
7	Letterpress. Anything you read moves across your forehead in lines of text.	132	Ratchet Joints. Only move in 10 degree increments. Clicky and mechanical.
8	Shadowless. You cast no shadow.	133	Skin Buttons. You can unbutton your chest and open up the skin flaps. Makes surgery easy.
9	Cat Friend. Cats will not harm you and will rub their faces on you. You smell faintly minty.	134	Milky Eyes. Cannot see further than 10'. Need to squint to read.
10	Duplication. An evil twin with all your abilities pops out of your body and runs away cackling.	135	Assistants. Unless closely watched, your hands will detach and try to help you. They are incompetent.
11	Imperial Sneer. You cannot conceal your contempt for peasants, beggars, etc.	136	Strange Voice. Sounds like you're singing all the time.
12	Pampered Sleep. While asleep or unconscious your hair is combed and perfumed.	137	Sun-Sail Ears. Like large copper plates. You can hear spells being cast even if you can't see them.
13	Delusion. You must prominently ornament your verbal communications with excess vocabulary.	138	Pea Brain. The size of a marble. Rattles inside your head.
14	Arrow Eater. You are immune to non-magical projectile damage. Arrows, slings, bolts, cannonballs.	139	Flame Hair. Your facial hair becomes fire. It doesn't burn you. Casts light as a candle.
15	Mystical Reformation. Reroll all your stats and take the higher result.	140	Wheels. Your legs are replaced with iron cart wheels. +4 Movement.
16	Ghost Movement. Your soul moves slightly before your body. -2 Defense.	141	Immortal Arm. One of your arms is completely immune to all damage. +2 Defense.
17	Wizard Rage. When angry, you temporarily grow fangs and a red frilly neck crest.	142	Soul Eviction. Body is taken over by a spirit, spell, or ghost. Reroll Wis, Int, Cha. Become weirder.
18	Delusion. You are repulsed by the sight of holy symbols.	143	Powerful Name. Whenever you say it, an unseen chorus repeats it.
19	Gemstone Eyes. Like cut sapphires. Actual sapphires, worth 10gp each.	144	Second Life. The first time you die, you will lurch into undead life for 6hrs. 10 HP, cannot heal.
20	Dense Bones. You cannot swim and you sink in most liquids. +2 Strength.	145	Miser. Must Save to spend money. Can try again in 6hrs.
21	Incredibly Quick. You can act twice each initiative round. You still only get 1 attack. Andyouatklkikethis.	146	Zombie Curse. Any people you kill have a 1-in-6 chance of rising as hostile zombies in 1 round.
22	Memorial. When you die, an elaborate stone memorial with statues will grow on top of your body.	147	Wart Faces. Grow dozens of horrible little warts, each one with your face.
23	Useless Legs. They turn into little noodles. You weigh nothing, can be carried easily.	148	Mystic Sight. Your eyes become glowing balls of flame. Casts light as a candle.
24	Indigo Sparks. Whenever you step, faint indigo sparks mark your footprints.	149	Second Sight. Can see disguised creatures, illusions, and doppelgangers as their true forms.
25	Thumb Lamp. Hold your breath and your thumb becomes a light as bright as a candle.	150	Crispy. Your skin is paper thin and dry. You take 2x damage from fire.
26	Transcendent Trunks. Your legs (and only your legs) are immune to magic damage.	151	Eldritch Marks. Gold flecks, as if you were made of quartz.
27	Delusion. You must wear a revealing or provocative costume to use magic items or cast spells.	152	Skull Head. Head becomes a rat's skull. Still functions normally.
28	Stupendous Eyebrows. They glow with strong emotions and sometimes shoot sparks.	153	Meditation. Cross legs and concentrate intently for 1hr to hear thoughts of people within 30'.
29	Palsied. Flesh twitches, fingers tap, legs bend. Dexterity becomes 2.	154	Eldritch Marks. Your face is covered in diagonal bands of white and black.
30	Gemstone Eyes. Like cut rubies. Actual rubies, worth 10gp each.	155	Soul Eater. Your eyes are black orbs. Every person you kill heals you for 1d6 HP.
31	Immortal Leg. One of your legs is completely immune to all damage. +2 Defense.	156	Long Nails. 4" long, curved, black as coal. Very menacing.
32	Remarkably Unlucky. Save becomes 1.	157	Cold Feet. Feet are like ice. Can walk on snow barefoot.
33	Winning Smile. If you smile, your teeth briefly flash as brightly as a candle. Hard to read or navigate by.	158	Mystic Eyes. Pupils rearrange to black intricate runes.
34	Delusion. You believe the Beige Dragon Gonsband will protect you if you call out her name.	159	Hypnosis Eyes. White orbs, rotating black spirals. Disconcerting but cannot actually hypnotize people.
35	Feeble Muscles. Like earthworms under your skin. Strength becomes 2.	160	Steady Hands. You will never spill a drink. Any glass or flask held will not tip or dribble.
36	Phase. If you run at a wall or door at full speed, 1-in-6 chance of phasing through. If not, 1d6 damage.	161	Reckless Hover. If you lounge on your side in a casual manner you float 2' off the ground.
37	Spell Finger. Whenever you cast a spell, a copy also targets one of your fingers (even if detached).	162	Skull Head. Head becomes a rat's skull. Still functions normally.
38	Second Sight. Can see curses and enchantments as faint glows.	163	Winning Smile. If you smile, a floating after-image of your teeth hovers in the air for 10 minutes.
39	Coiled Hair. Like a tightly wound spring. Lies close to your head, dense, tightly wound.	164	Linguist. You can speak with water.
40	Mystic Eyes. Opals reflecting the moon. No pupils.	165	Magic Deflection. Any spell targeting you has a 1-in-6 chance of hitting a random nearby target instead.
41	Delusion. Pick a type of inanimate object (stairs, windows, hats, etc). You utterly loath them.	166	Map Blindness. You cannot read a map or give directions.
42	Strange Voice. Wandering accent. The stranger the better.	167	Sorcerer Hair. Made from lead coins with your face on them. Fits close to your skin.
43	Eggshell Skin. Splinters and bleeds. -2 to Constitution, -4 to Save vs Poison.	168	Wizard Whistle. Once per day, you can whistle loud enough to deal 1 damage in a 50' radius.
44	Warrior Teeth. They fall out. 32 of them. You can plant them to create a skeleton that lasts 1 hour.	169	Linguist. You can speak with any food you cook.
45	The Darkest Magic. Needle teeth. Cast half of a damage-dealing spell at +1 MD/ Caster Level.	170	Magnetic Hands. Iron sticks to them.
46	Dead Asleep. While asleep or unconscious you appear to be a rotting corpse.	171	Glowing Heart. Like a glowing coal in your chest. Casts light as a match.
47	Cannibal Desires. You can only eat the dead flesh of intelligent creatures.	172	Fingerwalk. Fingers become 5' long, legs shrivel away. Walk on your fingers now, spider-like.
48	Feature Slish. Your facial features move slower than the rest of your head. They smear and blur.	173	Ratbody. You are fifty rats in a skin suit. When you die, the rats scatter.
49	Blowtorch Thumb. Sheds light as a candle. Deals 1d6 damage (as a dagger). Hisses faintly.	174	Thunder Guts. After each meal, you make a noise like a thunderstorm for 1d10 minutes.
50	Muscle Bound. Covered in clams, oysters, and barnacles. Cannot wear armour. Defense as Chain.	175	Unstable Shimmer. Constant microteleportation makes it difficult to tell where you are. +4 to Defense.
51	Cross Eyed. They roll constantly, pointing in random directions. -2 Attack and Defense.	176	Eyeless Sight. Eyes fall out and fly away. You are blind, but are convinced you can still see just a little.
52	Second Life. The first time you die, you will return to life in a column of flame in 1 round, with full HP.	177	The Darkest Magic. Long stringy hair. Any time you kill a creature with a spell, heal +1 HP.
53	Indigestible. Skin is rubbery. You are immune to acid damage.	178	Water Walking. You can walk on water as long as you hold your breath. (Con bonus minutes).
54	Hunchseat. Your back grows a chair. Any person riding in it doesn't burden you. Cannot carry cargo.	179	Powerful Gaze. You can lock eyes with a small creature. It must Save or be hypnotized.
55	Boiling Blood. Comes out as sticky red steam.	180	Crown of Spikes. Long metal spikes poke through your scalp. They rust.
56	Unusual Nose. Can stretch up to 30. Functions as a rope.	181	Yellow Sparks. Whenever you gesture, faint yellow sparks float in the air.
57	Shifting Form. Randomize your race each morning.	182	Lightning Breath. 10 cone, 1d6 lightning damage, once per day.
58	Homunculi. If you die, your head grows spider legs and runs away to commit terrible crimes.	183	Autobiography. Important scenes or events grow into full colour tattoos.
59	Disagreeable. If anyone expresses a strong opinion, Save or openly disagree with them.	184	Musical Flesh. Your heartbeat sounds like a faint bell.
60	Selective Invisibility. You are invisible while seated in a chair. Has to be a chair (no benches, logs, etc.)	185	Seawater Sleep. You drool 3d10 litres of seawater while asleep.
61	The Darkest Magic. Eyes like white orbs. Damage-dealing spells you cast inflict +2 damage.	186	Chronologically Detached. Take 1d6 damage to disappear and reappear 1d6 hours in the future.
62	Delusion. Any time someone you hear someone say your name you give a little scream of terror.	187	Powerful Gaze. If you lock eyes with a person, they must Save or continue locking eyes with you.
63	Delusion. You believe a pebble you found contains the entire world. You must protect it.	188	Broadcast Brain. Everyone in 30' can sense your location as a mental noise, glow, or smell.
64	Firemind. Fire will not harm you, but it will harm things around you.	189	Wizard Stains. Your fingers are coated in yellow grease. It marks everything you touch.
65	Mercury Arm. Arm replaced with liquid metal. Can squeeze through gaps.	190	Raincloud Friend. Follows you around outside. If inside, wanders off, returns after 1d6 hours outside.
66	Disoriented Legs. Projected slightly forward in time. +2 Movement and Dexterity.	191	Filthy. Permanently matted hair, greasy fingers, and spotty complexion. -2 Charisma.
67	Rolling Mind. Immune to mind control and charm effects. Sounds like a boiling pot.	192	Flickering Shadow. Like a roaring torch.
68	Head Hinge. Your brain vanishes. Your head is hollow and has a hinged top.	193	Spores. If you die, you turn into spores. 30' radius, opaque, choking cloud.
69	Painted Features. Face is flat and smooth. Features painted on.	194	Cannonball Guts. Once per day, must vomit up a 2" diameter stone ball.
70	Spell Eater. After you are affected by a spell, heal 1d6 HP.	195	Split Body. You are neatly bisected with a 1" gap between your left and right sides. No other effect.
71	Curse Palm. Marked in silver. If you pour blood on it, the blood foams and bubbles ominously.	196	Eldritch Marks. Silver branched lines around your eyes.
72	Lock Hatred. Doors and chests have a 1-in-6 chance of relocking behind you.	197	Launch Legs. Once per day, raise both arms in the air to slowly rise 20' upwards on a column of fire.
73	Eldritch Marks. Names of any people you kill appear on your back in black letters.	198	Sand Paddler. You can swim through sand as if it were water.
74	Glass Sweat. You sweat small gritty glass beads.	199	Wizard Speed. You can run 4x as fast, but must Save vs Dex or smack into a wall each round your run.
75	Enormous Underbite. Lower jaw sticks out 10'.	200	Wizard Whistle. Once per day, you can whistle to summon your hat or weapon to your hand.
76	Thropy. You become a deranged one-eyed wizard by the light of the full moon.	201	Second Sight. Can see ghosts, spells, and spirits as faint outlines.
77	Light Sleeper. While asleep or unconscious you weigh next to nothing. You float like a balloon.	202	Thropy. You become a swarm of bees by the light of the full moon.
78	Wizard Speed. You gain a +4 to Wisdom for Initiative. If you act first, you must Save or show off.	203	Bubbles. You constantly emit a stream of floating soap bubbles as you speak.
79	Sorcerer Head. Clear glass windows to show off your brain. -2 HP.	204	Liar's Nose. Glows like a candle if you tell a lie.
80	Moth Flesh. Your skin is wrinkled, grey, and dusty. -2 Charisma.	205	Magic Trick. Produce 1 copper piece from behind your ear once per day.
81	Cat Nap. While asleep or unconscious you transform into a scruffy-looking cat.	206	Bird Friend. Sparrows or small birds will bring you worms and beetles and expect you to be impressed.
82	Scorecard. Your age, diseases, and marital status are displayed on your forehead in black letters.	207	Delusion. You believe you cannot go outside without wearing your special hat.
83	Metal Mask. Like your face, but frozen in a deeply concerned expression.	208	Agreeable. You must always verbally agree to any request or plan. You don't actually have to do it.
84	Meganind. Gain 1d6 Int and Wis. Become insufferably smug.	209	Emergency Teleport. If you are reduced to 0 HP, you teleport 2d10x10' in a random direction.
85	Eldritch Marks. Glowing red circle on your forehead.	210	Glass Hair. Can shatter it with a hammer or dagger.
86	Meditation. Cross legs and concentrate fully to hover 1' off the ground.	211	Zero Buoyancy. You cannot swim. You sink instantly in water as if it wasn't there.
87	Cloud Skin. Become a skeleton coated in thick mist. Can drink water as rations. HP becomes 6.	212	Magical Ooze. You constantly smell of ozone and boiled frogs.
88	Wizard Rage. When angry, you temporarily grow a 5' long white beard.	213	Soul Bargain. Can cut deals to gain people's souls once they die. You'll need to put them in jars.
89	Ear Fronds. Like two ferns or peacock tails made of glass. +4 Wisdom.	214	Completely Hollow. Like a sack. -2 HP, +10 inventory slots (inside your body). Mouth opens really wide.
90	Coldfinger. One finger is freezing cold. Can freeze a 6' radius of water in 1hr.	215	Terror Blood. If you take a Fatal Wound, you bleed light, fire, sparks, and screams.
91	Fearful Blood. If you drop below half HP, Save vs Fear.	216	Delusion. You believe you are the race of the first person you see when you wake up each day.
92	Wizard Rage. If you are wronged, Save or rant loudly for at least 10 minutes.	217	Glass Step. You can bounce off an invisible plate of force mid leap. Double distance jumped.
93	Fear Teleport. If you fail a Save vs Fear, teleport 2d10x10' in a random direction.	218	Noisy Hands. Your fingerbones click and squeak like iron on slate. -4 Stealth.
94	Terror Blood. If you take a Fatal Wound, you make an ominous ticking sound and vibrate like a drum.	219	Mystic Eyes. Portals into a vast starscape.
95	Fizzbody. If you hold your breath, you weigh as much as a feather.	220	Wizard Hat. Your hat cannot be removed by any means.
96	Eldritch Marks. Blue stripes. They glow faintly under moonlight.	221	Ghost Genitals. Semi-visible. Immune to non-magical damage, can only interact with magical things.
97	Bulging Eyes. Like two apples nailed to your face. -2 Charisma. Cannot blink or deliberately look away.	222	Skeleton Assistant. Your skeleton steps behind your flesh and skin. It holds up your new boneless form.
98	Eldritch Marks. Your chest is covered in black symbols, deeply and intricately carved or burned.	223	Red Sparks. Whenever you speak, faint red sparks fly from your mouth.
99	Spell Effects. When a spell damages you, you shoot sparks and jets of smoke in all directions.	224	Finger Orbit. They fly around your body. No change to grip strength, carrying capacity, etc.
100	Wandering Mind. You never remember marching or long-distance travel. You seem to just arrive.	225	Flame Hair. The hair on the top of your head becomes fire. It doesn't burn you. Casts light as a torch.
101	Telescope Eye. Can see 3x as far. Sticks out of your head, clicks and buzzes.	226	Expressive Eyebrows. You become mute, but your eyebrows spell out everything you want to say.
102	Gold Metabolism. Eat 1gp to heal 1hp. Skin becomes faintly golden.	227	Thropy. You become a random creature by the light of the full moon.
103	Wizard Beard. Many coloured, like a fan. Waves in the wind.	228	Delusion. You believe you can speak with birds. You cannot.
104	Maggie. You must Save or touch any shiny object you see. Your fingers grow long and bird-like.	229	Skull Head. Head becomes a skull with lidless eyes. -2 HP and Charisma.
105	Delusion. You believe you can hear the thoughts of others. You cannot.	230	Glowing Mind. Whenever you have a really good idea your head glows like a torch for 1d10 minutes.
106	Silver Fingernails. Can harm some creatures by poking them.	231	Healing Touch. Can heal 1d6 HP to heal a person for the same amount once per day.
107	Silver Tongue. Literally. +2 Charisma. Can't help but lie sometimes.	232	Linguist. You can speak with plants.
108	Linguist. You can eat one of your own fingers (they detach) to learn any one language you hear.	233	Violet Sparks. Whenever you experience a strong emotion, faint violet sparks fly from your teeth.
109	Salt Sweat. You sweat small gritty nodules of salt.	234	Ghost Arm. Semi-visible. Immune to non-magical damage, can only interact with magical things.
110	Powerful Name. Whenever you say it, it echoes and reverberates.	235	Eyeless Sight. Eyes fall out and evaporate. You can still see.
111	Wiggling Nose. Like a finger. Can pick up small objects, flick things.	236	Adjusted Figure. Legs shorten, waist broadens. Pear-shaped, ungainly, long neck. -2 Dexterity.
112	Night Terrors. You scream while asleep. You still sleep normally and do not remember your dreams.	237	Wax Body. Flammable. 2x damage from fire. Soft. -2 Strength and HP.
113	Eldritch Marks. Brass stars all over your body.	238	Thunderbolt Hair. You are immune to lightning damage. You will be struck by lightning if possible.
114	Strange Voice. Sounds like it's coming from an old radio at the bottom of a well.	239	Cat Fingers. Fingers are the front halves of kittens. Hard to control. -2 Dex and Stealth.
115	Musical Flesh. When you fail a Save vs Fear or vs Magic, you make a siren-like alarm noise for 1 min.	240	Snorkel. If underwater, can extend a 2' breathing tube from your left ear.
116	Stage Magician. Once per day you swirl your cloak dramatically and appear 20' away.	241	Catastrophic Mutation. Roll on this table 2d4 more times.
117	Flaming Skull Face. Impressive but frightening.	242	Atrophy. Your body withers and is pulled around by your normal-sized floating head. -6 Str, Dex, Con.
118	Strange Voice. Can shout loud enough to flap flags and ripple water. Proper wizard reverb.	243	Magic Trick. Pull a 10' long string of ribbons from your ear once per day.
119	Acid Spit. One per day, you can spit a glob of acid (as a thrown dagger dealing 1d6 acid damage)	244	Orange Sparks. Whenever you move your fingers, faint orange sparks fall from your fingertips.
120	Mystical Reformation. Reroll all your stats and take the lower result.	245	Crystal Body. Quartz limbs, faceted eyes. No other effect.
121	Impressive Thoughts. Your head sparks and fizzes when you think deeply or study something.	246	Unconvincing Body. You become a humanoid stack of twigs, rope, dirt, and cloth. No change to stats.
122	Musical Flesh. You make a loud siren-like noise whenever you have a Fatal Wound.	247	Yarn Body. You are crocheted. Button eyes, yarn teeth. Can be unraveled (painfully).
123	Bristled. All your hair becomes as thick as a pencil and as brittle as chalk.	248	Metal Mask. Neutral, genderless, nearly featureless.
124	Adjusted Humour. You think most statements are jokes, hidden puns, or innuendo.	249	Adjusted Figure. Legs lengthen, waist shrinks. Like a stick, ungainly, tottering. -2 Dexterity.
125	Autobiography. Your life story written in minute black letters in a spiral tattoo on your back. Grows daily.	250	Wood Body. Flammable. 2x damage from fire, +2 Strength and HP.

1d500	Supernatural Mutations (3/4)	1d500	Supernatural Mutations (4/4)
251	Slithering Sinews. Veins and arteries move like worms. Immune to piercing damage.	376	Green Sparks. Whenever you jump or run, faint green sparks float in the air behind you.
252	Crystal Brain. Inside your skull, brain becomes a crystal ball. Can cast scry once per day.	377	Checkered Shadow. Squares cut out of it like a checkerboard.
253	Thropy. You become a wolf by the light of the full moon.	378	Mercury Vomit. You can throw up 1L of mercury once per day.
254	Mechanical Guts. Horrible grinding and buzzing sounds for 1hr after every meal.	379	Wobbled. You can only cast spells, use magic items, read, write, or sing while drunk.
255	Strength-Draining Grip. As long as you touch someone, they must Save or count their Strength as 5.	380	Powerful Name. Whenever you say it, it dogs bark and cats hiss.
256	Planetary Ring. A halo of dust and ice orbits your head. Tiny comets sometimes pass by.	381	Sorcerer's Appearance. +4 to Save vs Fear. Utterly convinced of your own magical powers. Egotistical.
257	Incense Breath. Your chest has holes in it and you breathe wisps of spicy smoke.	382	Delusion. You believe evil powers watch you from the moon. Conceal yourself from its gaze.
258	Goldfinger. One finger becomes solid gold. Does not bend. Worth 5gp.	383	Cross Eyed. Point away from your nose.
259	Shadow Magic. Your shadow is hideously mutated and distorted.	384	Evil Eye. Blue and watery. Once per day, a target you stare at must Save or age 1d10 years.
260	Pine Needles. Your hair becomes small, dense, green, and faintly mint flavoured.	385	Sorcerer Hair. Long and wild. Reacts to your emotions. Dramatic and flashy.
261	Lightning Finger. Once per day, you can poke someone to deal 2d6 lightning damage.	386	Shingles. You are covered in thick grey sheets of sandpaper. +2 HP and Constitution. -2 Dex.
262	Oldfinger. One of your index fingers becomes twice as long, wrinkly, and mottled with liver spots.	387	Strange Voice. Slowly rises and falls like you're doing scales.
263	Missing Torso. Arms, legs, head in their usual spots, but nothing between. -6 Inventory slots.	388	Insubstantial Flesh. In sunlight, appear as a rotting corpse. No effect on stats.
264	Stuck. You can only speak one word. You can change the intonation but not the word.	389	Eldritch Marks. Jet black eyeliner.
265	Wandering Hands. If left to their own devices, they untie knots and make rude gestures.	390	Silver Metabolism. Eat 10sp to heal 1gp. Skin becomes faintly silver.
266	Heavy Sleeper. While asleep or unconscious you weigh 500lbs.	391	Delusion. You believe any person you injure is dead. Any further movements are rigor mortis.
267	Soluble. Your skin is grey and chalky. You take 2x damage from acid.	392	Wizard Ears. 2" tall, pointed, tufts of bristles on the end and in the ear-holes.
268	Twirling. You constantly flip head over heels about once every two minutes. -2 Movement.	393	Curse Magnet. Any curse inflicted within 30' of you also affects you.
269	Moron. Head caves in. Intelligence becomes 2.	394	Falseito. You can sing indefinitely without breathing in. Can Save vs Con. to attempt to shatter glass.
270	Corpse Bomb. Any creatures you kill have a 1-in-6 chance of exploding. 20' radius, HDx6 damage.	395	Polymorph. Reroll your race.
271	Wizard Rage. When woken, you scream as loud as you can for 1 minute.	396	Labeled. Your veins and freckles rearrange to label all your body parts and organs.
272	Ladde rguts. Once per day, you can vomit up a 20' ladder made from bone. It crumbles in 6 hrs.	397	Unusual Nose. Grows 1" whenever you lie, shrinks to normal at midnight. Bendy like a finger.
273	Narrator. You hear a voice in your head inaccurately narrating all your actions. -2 Wisdom.	398	Polymorph. Become a random creature of 2HD or less. This may make you non-sentient.
274	Root Legs. They want to burrow. No longer need to drink. -4 Movement.	399	Counting Sheep. Livestock and simple-minded animals are fascinated by your sleeping form.
275	Ink Cloud. If you fail a Save vs Fear, you spray ink 10' in all directions.	400	Ghost Finger. Semi-visible. Immune to non-magical damage, can only interact with magical things.
276	Delusion. Any plan you come up with is the best plan; to play no cards, all other plans are inferior.	401	Weather Curse. You are afflicted with rain, storms, hail, and sleet at unreasonable times.
277	Sadim Curse. Any gold you touch turns to clay.	402	Insubstantial Flesh. In moonlight, appear as a rotting corpse. No effect on stats.
278	Entangled Legs. Projected slightly backwards in time. -2 Movement and Dexterity.	403	Fragile Composition. Each point of damage you take also temporarily decreases all stats by 1.
279	Frenzied Flesh. You gain +1 Attack per round if you attack without hesitation, fear, or tactics.	404	Ripple Skin. Wiggles like water during a storm. Constantly churning, shimmering.
280	Lava Walking. You can walk on molten rock as long as you hold your breath. (Con bonus minutes).	405	Uncertain Flesh. Each time you are struck by a spell, Save or mutate.
281	Adjusted Humour. You find the number 5 hilarious. Nothing else makes you laugh unless it's got 5 in it.	406	Wizard Wobble. Most of your mass moves to your head. Any attack that hits you knocks you prone.
282	Delusion. You believe spiders are your spies and bring you secrets. They are not and do not.	407	Sadim Curse. Any gold you touch turns to very angry poisonous spiders.
283	Cleaned. Permanently smooth skin, clean and combed hair, and shining teeth. +2 Charisma.	408	Lozenge Head. Flat and oblong. Eyes migrate to edges of mouth, nose becomes blowhole.
284	Chain Limb. A random limb is replaced with a lifeless steel chain. Hand/foot on the end still works.	409	Dream Teleport. When you sleep, Save. If failed, teleport 2d10x10' in a random direction.
285	Spell Effects. When a spell damages you, heal 1d6 HP.	410	Coral Body. Brittle and feelers, crunchy movements. -4 Savath. +2 HP.
286	Delusion. You believe you are invisible. People just keep making lucky guesses as to your location.	411	Wizard Rage. When angry, the top of your head rattles like a boiling kettle.
287	Adaptable. In water, transform into a fish with 2 HP. If you are falling, transform into a bird with 2 HP.	412	Orbiting Eyes. You can see in all directions, but you must Save vs Dizziness when running.
288	Snake Guts. Your intestines are a colony of snakes.	413	Bewildered. Eyes roll, ears flap. Wisdom becomes 2.
289	Delusion. You believe you are the gender of the first person you see when you wake up each day.	414	Cooling Tower Head. Like an inverted bell. Intense thoughts produce a column of steam.
290	Smokestack. Flesh tube sticks off your back. Emits puffs of grey smoke.	415	Spring Legs. Metal coils ending in feet. 1/2 fall damage, can jump twice as high.
291	Soluble. Take 1 damage per round you spend in water or in rain.	416	Wizard Hat. Remove your hat to reveal a new, identical hat. Removed hats vanish in 5 minutes.
292	Wizard Thumb. One thumb is 1' long with five extra joints.	417	Ropeguts. Once per day, you can vomit up 100' of rope made from sinew. It rots in 6 hrs.
293	Suction Fingers. Each one ends in a round hard disc. Cannot accidentally drop any items held.	418	Hat Summoning. You can call and store your hat elsewhere. It appears and disappears nosily.
294	Smoke Feet. Must wear special tightly sealed leather boots to walk.	419	Wizard Stains. Your hair is constantly moist and drips with bright blue fluid.
295	Steady Hands. Take 1d6 damage for one hand to act as an immobile rod for 1d6 rounds.	420	Alcoholok. Duct. Very strong. You cannot get drunk.
296	Mind Beams. Each day, pick a person you can see. You can hear them speak no matter the distance.	421	Hollow. You are an empty sack of skin. Still need to eat, etc, but it falls into your hollow legs.
297	Crater Eyes. They sink into your face. Your pupils are white heatlike pinpricks.	422	Powerful Name. If anyone in 10 miles says your true name, you hear them say it.
298	Four Eyes. In a grid, on the front of your face.	423	Unseen Chorus. When you roll a critical failure or botch something a huge chorus laughs at you.
299	Treesprout. A 2' tall pine tree grows from your back. Sheds needles constantly.	424	Shadow Magic. Your shadow acts out your hidden desires.
300	Butterfly Spit. At any time, you can spit out an orange-red butterfly. It has no nutritional value.	425	Delusion. If you take 6 damage in 1 round, you fall to prone and believe you are dead for 1d6 rounds.
301	Reformed Flesh. All your visible mutations are concealed as long as you are at full HP.	426	Spell Finger. You can cast a random spell once per day from one finger, using 2 MD.
302	Laser Blood. If you take a Fatal Wound, you die and deal 3d6 damage in a 30' radius. Save to dodge.	427	Spores. You constantly shed spores. Produces white fungus, grows into mushrooms with your face.
303	Rose Head. Face becomes wrinkled. At night, it unfolds to reveal fleshy flower parts. Bees like you.	428	Stupendous Eyebrows. Butterfly indescence.
304	Mirror Face. Your face appears to be the face of any person looking at it. Very unsettling.	429	Detachable Head. Pops off if you take 3 damage to the head. Unlimited range.
305	Glowing Tongue. If you yell as loud as you can, your tongue glows as brightly as a torch.	430	Dark Halo. A circle or triangle of black fire hovers over you. Looks ominous and possibly daemonic.
306	Stupendous Eyebrows. Gold and scaled, like majestic snakes.	431	Fatnerved. 1" thick, all other dimensions normal. -2 Constitution and HP.
307	Borrowed Senses. Can use the senses of any creature you touch as long as you maintain contact.	432	Convenience. Your bodily waste is shunted 2 miles away, appearing with a faint magical glow.
308	Curse Palm. If you slap someone very hard in the face, they must Save or get a permanent runic mark.	433	Snail Shell. 1'x1'x1", on your back. You can retreat inside of it leaving only 1 hand exposed.
309	Compressible. Take 1/2 fall damage, but collapse into a 3" high disc. 1hr to return to former height.	434	Eldritch Marks. Glowing blue star on your forehead.
310	Curse Palm. Has a tiny black arrowhead on it. Lick it to experience weird visions for 1d10 minutes.	435	Cross Eyed. Point towards your nose.
311	Unseen Chorus. When you roll a critical success or do something amazing a huge chorus cheers.	436	Fizzbody. You hover 6" off the ground as long as you are conscious.
312	Skull Head. Head becomes a cat's skull. Still functions normally.	437	Turbulent Hair. Flies around as if in a violent storm. Gets in your eyes. -2 Wisdom.
313	Magic Deflection. Any spell targeting a nearby person has a 1-in-6 chance of hitting you instead.	438	Evil Eye. Black and glassy. Weeps grease. Once per day, target must Save or drop all held objects.
314	Auurovore. You can eat 5gp instead of a ration.	439	Assistants. Each morning, local wildlife (sparrows, centipedes, etc) bring you 1d10cp and a ration.
315	Gyroscopic Neck. Your head stays perfectly level as you walk. You can balance anything on top of it.	440	Milk Duct. Numerous nozzles. Produces a pint of milk per day.
316	Round Head. Like a perfect sphere with your features painted on.	441	Raving. You don't need to sleep, but you do need to pace and rave, doing nothing else, for 6hrs a day.
317	Tongue Fingers. Can taste anything you touch. Only 1d10 fingers affected.	442	Delusion. You believe you can sense lies. You cannot.
318	Musical Flesh. You make a pleasant bell-like tone whenever you take damage.	443	Incredibly Slow. You always act last in each initiative round. And... You... Talk.... Like.... This....
319	Copper Metabolism. Eat 100cp to heal 1gp. Skin becomes faintly blue.	444	Sorcerer Hair. Reaches the floor. Curly and unruly.
320	Watercolour Skin. You look like a living impressionist painting.	445	Sneer. Your face is locked in a permanent expression of disdain. -2 Charisma.
321	Smoothed. You are airbrushed, tidied, and polished. +2 Charisma.	446	Eldritch Marks. Bright blue eyeliner.
322	Forgetful. Save each morning to remember details from previous day.	447	Twirling. You constantly spin counterclockwise, about once every two minutes. -2 Movement.
323	Flytrap Sprouts. Little green plate-like plants sprout from your head. They eat flies.	448	Eldritch Marks. Grey spots and lines, like constellations.
324	Metal Mask. Like your face, but frozen in a neutral expression.	449	Floating Hands. Arms no longer exist, but hands still do. No extra range of movement.
325	Delusion. You cannot remember anyone's name, your guesses are wildly inaccurate.	450	Eldritch Marks. Black spirals all over your body.
326	Wizard Wobble. When idle, stand on one foot and constantly sway from side to side.	451	Sadim Curse. Any gold you touch turns to water.
327	Wizard Rage. When angry, your skin glows an ominous red.	452	Pin Legs. No feet. Legs end in needle-sharp points. Can use them as daggers.
328	Linguist. You can speak with fire.	453	Faint Breeze. No matter where you are, a faint wind tousles your hair and moves your clothes.
329	Skeleton Frame. You become unnaturally emaciated, literally only skin and bones and eyeballs.	454	Wizard Wobble. Most of your mass moves to your feet. You cannot be knocked prone.
330	Sturdy Soul. Reduce all incoming magical damage by 2.	455	Deep Voice. Like the rumble of tectonic plates.
331	Compulsive Eater. Consume 2 rations per meal. Save or try new foods, meats, spices.	456	Gravity Guts. Small objects will orbit you. +2 Defense. Your mass takes up 2 inventory slots.
332	Foam Spray. If you take any fire damage, you spray white foam in a 10' radius. Extinguishes all fires.	457	Spell Effects. When a spell damages you, teleport 1d10x10' in a random direction.
333	Thropy. You become a badger by the light of the full moon.	458	Thunderclap Hands. You can clap your hands to make a noise audible for 1 mile in all directions.
334	Spell Effects. When a spell damages you, heal everyone in a 10' radius 1d6 HP (except for you).	459	Molten Flesh. It dribbles and drips. Lose 1 HP per day unless you wear a fully enclosed suit.
335	Upset Stomach. Must Save to eat any spiced or novel food. Constantly queasy.	460	Blood Addition. You need drink a small amount of blood per day or take 1d6 damage at sunset.
336	Strange Voice. Increasingly sarcastic. Like a teenager on a road trip to the National Shoe Museum.	461	Spoodle Form. You grow 2' taller and much thinner. Your fingers are long and knobby.
337	Prismatic Breath. 10' cone, 1d6 magic damage, once per day.	462	Unusual Nose. Turns bright red whenever you swear or curse.
338	Broadcast Brain. Everyone in 30' can hear your thoughts as faint murmuring. You can't hear theirs.	463	Impressive Thoughts. Black smoke comes from your ears when you think deeply or study something.
339	Ice Hatred. Snowflakes weigh 5lbs each to you. Double damage from cold and ice.	464	Powerful Name. When you say it, everyone who heard it feels a cold shiver down their spine.
340	Shimmerskin. Faint pearl patterns. You are invisible if viewed through glass.	465	Twirling. You constantly carwheel counterclockwise, about once every two minutes. -2 Movement.
341	High Voice. Like a whistling flute, musical and sharp.	466	Insubstantial Flesh. In darkness or dim light, appear as a rotting corpse. No effect on stats.
342	Smokebomb. Once per day you can vanish in a puff of smoke and appear 20' away.	467	Sideways Step. Once per day, you can step through a gap of any width but at least your height.
343	Arrow Magnet. Non-magical projectiles get a +4 to hit you and deal an extra 1d6 damage.	468	Shadow Magic. Your shadow is perfectly normal, no matter how mutated you are.
344	Wizard Rage. When you are angry, you froth. It's blue and sparkly.	469	Blasphemous Blubber. Capillaries form unholy runes. Immune to bludgeoning damage.
345	Lead Skin. +2 Defense, but cannot swim or run. Lead takes up 2 inventory slots.	470	Spell Rebound. Any spell that strikes you rebounds to also strike an adjacent target.
346	Secret Eater. Tongue becomes 1' long, thin, blue. Can dip into peoples ears to eat their secrets.	471	Narrator. You hear a voice in your head narrating all your actions. +2 Wisdom.
347	Starfish Body. Flaps of flesh connect your ankles, wrists, etc. -4 Dexterity.	472	Wizard Stains. You leave black greasy footprints even if you wear shoes.
348	Name Vision. If you know a person's name, you can see it over their head in glowing yellow letters.	473	Opalescent Shell. +2 Defense. Takes up 4 inventory slots. You can retreat inside it.
349	Powerful Name. Whenever you say it, it appears in smoky letters above your head.	474	Draining Touch. Can drain 1d6 HP from a person to heal the same amount once per day.
350	Time Lock. Take 1d6 damage to stop time for 2 rounds. Cannot affect anything but can move freely.	475	Ghost Curse. Any people you kill have a 1-in-6 chance of rising as hostile ghosts in 1 round.
351	Evil Eye. Red and pulsing. Can stare at a target to deal 1d6 damage to it once per day.	476	Broadcast Brain. Everyone in 30' must Save or experience any strong emotion you are experiencing.
352	Cruel Fingers. Unarmed attacks count as daggers. You cannot deal non-lethal damage.	477	Stupendous Eyebrows. Made of copper wire.
353	Permanent Politeness. Cannot willingly enter an occupied building without being invited.	478	Temperamental Limbs. 10% chance each limb vanishes for 24hrs. For every morning.
354	Ghost Leg. Semi-invisible. Immune to non-magical damage, can only interact with magical things.	479	Powerful Name. Whenever you say it, thunder rolls and horses whinny in fear.
355	Uncertain Flesh. Each morning, Save or lose 4d6.	480	Clamps. Your hands are replaced with iron clamps. Like having 2 metal fingers. +2 Strength.
356	Hero of the Beach. Once a day, shout a catchphrase or your name to gain +4 Strength for 1d6 rounds.	481	Hyperbucidity. You float alarmingly well. You cannot drown but you cannot dive either.
357	Cyclops. Your head becomes one giant eyeball. You eat by putting food in the pupil.	482	Stupendous Eyebrows. Wiry, elongated, thick, and alarming.
358	Wizard Wisdom. Your brain sizzles like a hot stove. +2 Intelligence. Save to not offer an opinion.	483	Glass Limbs. Any time a limb takes 6 damage in 1 round it shatters. It grows back in a week.
359	Frozen Skin. Your skin is like ice. You take 1/2 cold but 1x fire damage.	484	Flame Belch. Once per day, spew a 10' cone of fire and oil. 1d6 damage, save for half.
360	Skull Head. Head becomes a bull's skull. Still functions normally.	485	Moth Flesh. You constantly shed small white dusty moths. They live in your pores. -2 Charisma.
361	Cracked. You are peeling apart. Spend 1hr each morning tying yourself together or lose half HP.	486	Hover. 1" off the ground at all times. Still take fall damage but do not set off pressure plates.
362	Eldritch Marks. Moons and sickles all over in red scars.	487	Sealed Lips. They fuse shut while you sleep. Need to cut them open (1 damage) each morning.
363	Blue Sparks. Whenever you take damage, faint blue sparks fall from your ears.	488	Fruit Chest. You produce apples. 1 per week.
364	Pearl Skin. Like a giant polished shell or a tooth.	489	Relentless Positivity. You are always optimistic no matter how bad things are. Cannot curse or frown.
365	Future Sight. Can see very slightly into the future. When a disaster happens you can shout "I knew it!".	490	Wizard Beard. Grey and pointed, down to your knees.
366	Skin Cloak. The back of your neck forms a large pink cloak.	491	Amnesia. Save each morning for forget the previous day's events.
367	Honeycomb Chest. Bees nest in it. They buzz all the time, but they provide a small amount of honey.	492	Wandering Mind. When you sleep, it pops out of your head and hops around. Brain has 1 HP.
368	Fire Finger. Once per day, you can poke someone to deal 2d6 fire damage.	493	Eldritch Marks. Shimmering flame tattoos all over your arms and legs.
369	Assistants. Tiny homunculi grow from your shoulders. One is revoltingly evil, the other is pious and dull.	494	Stupendous Eyebrows. Spiked and elaborate. 1" wider than your head.
370	Copyist Mind. You can accurately and quickly sketch anything you see.	495	Comically Promiscuous. You can't sleep with everyone but you will sleep with almost anyone.
371	Eldritch Marks. Fish tattoos that swim all over your skin.	496	Eyeless Sight. Eye sockets fuse over with flesh. You can still see.
372	Extremely Mellow. Immune to fear, mind-altering effects, panic. Cannot be hurried.	497	Strange Voice. Forced to say a rhyming couplet before casting a spell or using a magic item.
373	Hollow Guts. Your intestines, stomach, etc. fall out. Your chest is an empty ribcage. -1d6 HP.	498	Split Body. You split into 2 characters (half of each stat, half mass). Divide mutations evenly.
374	Chronologically Detached. Take 1d6 damage to disappear and reappear 1d6 rounds in the future.	499	Split Hands. Any two mundane inanimate objects you hold at the same time will fuse together.
375	Enormous Overbite. Upper jaw sticks out 10". Dribbly.	500	Flee! If you are startled, your head flies off and disappears. You grow a new head in 1d6 minutes.
